SERVICES

We provide counselling, therapy, assessment and training to develop strategies that help you manage challenging issues, behaviours or events in your life and relationships. We can deliver therapy or training in clinic, school or workplace, and online. Treatment goals are discussed and agreed with you to address issues in a supportive and structured way. Services provided are evidence-based, person-centred and trauma-informed. We work closely with you to encourage self-development, education and growth.

REFERRALS

We accept referrals for the following programs (and privately funded):

- Better Access
- Healthy Minds
- Victims of Crime
- Department of Veterans Affairs
- Pregnancy Support Counselling
- National Disability Insurance Scheme (NDIS)
- Workers Compensation
- Teachers/University Health Fund
- Nurses and Midwives Health Fund
- Employee Assistance
- Programs (EAP)
